You are forever powerful, Almighty One, abundant in Your saving acts.
(Summer) You send down the dew. (Winter) You cause the wind to
blow and the rain to fall. In loyalty you sustain the living, nurturing the
life of every living thing, upholding those who fall, healing the sick,
freeing the captive and remaining faithful to all life on the earth. Who
can compare to you, almighty God, who can resemble you, the source
of everything? Faithful are you in giving life to every living thing.
Blessed are you, the fountain of life, who gives and renews everything.
